It's our passion to work with dogs, train them and let them be the best dogs they can be.

For almost 10.000 years, huskies have pulled mankind's sleds and travelled the Arctic together.

BORN TO RUN EARLY WINTER

Huskies are not born fit, it takes lots of preparation and conditioning before the dogs are as fit as they can be. Visit the kennel and get a feel for how the dogs are prepared to be the amazing athletes they are. Our enthusiastic dogs will happily take you down the forest trail for an unforgettable experience. If snow comes early in November, our tours will be done with sleds instead of the carts. Program is then equivalent to the Happy Trail Tour.

INCLUDED: Transfers from/to Rovaniemi (Arctic SnowHotel, Apukka resort, Vaattunki Wilderness Resort, Bear's Lodge extra 12 € / person / direction), driving instructions, guided tour with a husky sled or cart, hot juice and cookies, overalls and informative husky talk.

HAPPY TRAIL

A perfect way to enjoy the thrill of mushing a dog team with your family. Meet dogs, learn how to drive your sled and then head off for a thrilling dash through the magical snowy forest. Afterwards there will be time to mingle with the dogs, have a snack with juice and cookies around the fire. This safari is most suitable for families with small children.

INCLUDED: Transfers from/to Rovaniemi (Arctic SnowHotel, Apukka resort, Vaattunki Wilderness Resort, Bear's Lodge extra 12 € / person / direction), driving instructions, guided tour with a husky sled (2 adults, max 2 kids per sled), hot juice and cookies, overalls and informative husky talk.

CALL OF THE WILD

Get away from the city and enjoy the magical forests of the Lappish wilderness. The sound of panting huskies and snow underneath your sled is the perfect soundtrack for this adventure. During the tour you will drive your own team of dogs for about about 12 - 18 km. This is our most popular safari and a genuine way to experience the thrill of running a dog-team. We recommend this tour for guests ages 7 and older.

INCLUDED: Transfers from/to Rovaniemi (Arctic SnowHotel, Apukka resort, Vaattunki Wilderness Resort, Bear's Lodge extra 12 € / person / direction), driving instructions, guided tour with a husky sled (2 adults, max 2 kids per sled), hot juice and cookies, overalls and informative husky talk.
